Read: From the Collector of South Kanara, Roc.1060/F.6/43, d/28-3-44.

REFERENCE.

The Collector of South Kanara sanctioned an allotment of Rs.40/- under purchase and repair of furniture for the Deputy Tahsildar, Beltangady from the additional allotment sanctioned by the Board and also approved the action of the Deputy Tahsildar in having placed the orders with the local carpenter for the furniture required by him as there was no time left for obtaining the furniture from the Trades School or any Jail before 31-3-44. In the circumstances reported by the Collector the Board requests that the Government may be pleased to ratify the action of the Collector in having permitted the Deputy Tahsildar, Beltangady to purchase locally the articles of furniture at a cost of Rs.40/-. The Board has asked the Collector to submit an application through the Inspector General of Prisons and it will be forwarded on receipt.

The Collector is, therefore, requested to observe the above procedure in future and to submit an application through the Inspector General of Prisons in the present case. Portion marked A of the Board's reference on p.1. ante

This dept may accept the Board's proposal and transfer the case to Revenue for the issue of orders. It, however, appears that both the Collector and the Board have overlooked the orders in G.O. No. 3074 Home dated 27.8.42 under which consuming depts have been permitted to place their orders for furniture outside the gaol dept under certain conditions. Revenue may be asked to verify from the Board whether the Conditions in para 1 of G.O. 3074 Home dated 27.8.42 are satisfied in this case. If they are, the sanction of Govt to the local purchase is not necessary.

2. The Board submits that both the conditions in G.O.No.3074 Home dated 27.8.1942 are satisfied in this case as the articles of furniture were available either with the Jail Department or the Trade School at Mangalore and they could have also been transported by animal-drawn transport but the purchase of the articles was made from outside the jail department as it would have been taken time to obtain them from that Department thereby resulting in the lapse of grant. It therefore requests that the Government may be pleased to ratify the action of the Collector in having purchased the articles locally.
